Sir:

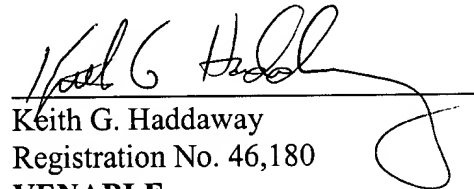

In response to the above-referenced notifications, copies of which are attached,
applicants respectfully submit the following:

1. Statement to support filing and submission in accordance with 37 CFR §§ 1.821-1.825;

2. A copy of the "Sequence Listing" in computer readable format as required by 37 CFR 1.921(e); and
3. A substitute paper copy of the "Sequence Listing"

The computer readable format and paper copy have been edited to reflect the U.S. Application Number and list the PCT Application as the priority document. Accordingly, please delete the originally filed paper copy of the "Sequence Listing" and enter the attached paper copy of the Sequence Listing into the specification.

Respectfully submitted,

Keith G. Haddaway
